

Dimitri G. Vassilacos

Dimitri is the Treasurer of the **Propeller Club, Port of Piraeus**, since 2013. During this period the Club materially improved its financials but -more importantly- increased its contribution to society, to US-GR relations, and to its Club members.

Since 2017, Dimitri is a Partner at **Ship Finance Solutions**, a boutique financial consulting firm specialising in the shipping sector.

Prior to this, he had served as Managing Director & Head of Greek Shipping at **Citibank**, while before that he worked at **National Bank of Greece** as Manager of its Shipping Division, General Manager of its London operation and Advisor to the Executive Chairman.

Dimitri is also a Member of the International Advisory Board at the IE Business School in Madrid, a Vice President of the Angelos & Leto Katakouzenos Foundation, and the Treasurer of MEDASSET.

He is a 'Metsovio Polytechnio' Mechanical Engineering graduate and also holds an MBA from HEC, Paris, and a MALD from Fletcher School, Tufts University, Boston.
